COMPANY

企 业 简 介

We are a team with vast experience
in providing comprehensive solution
of smart manufacturing

Joycreat Technology Limited (former name "Sunrise Machine Limited") was incorporated in Tangxia Town, Dongguan City in June 2012, mainly engaged in research and development, production and sales of automatic production equipment.

We have a workshop area of 3,500 square meters, with 20 engineers, 2 international salesmen and 4 overseas after-sales engineers.

HISTORY

发 展 进 程

Joycreat has concentrated on
technical innovations and quality
controls for automation equipment
since its foundation(2012).

PRODUCTS

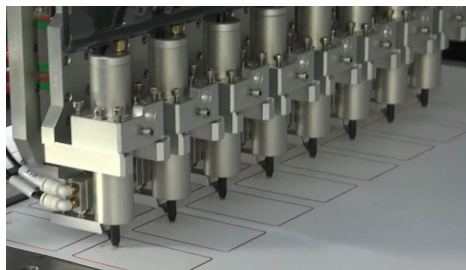

产 品 分 类

Everyday the Joycreat team is
dedicated to delivering the highest
quality products possible to our
customers

50 % Smart Card Equipment

40 % Face Mask Equipment

10 % Lithium Battery Equipment

4
service engineers

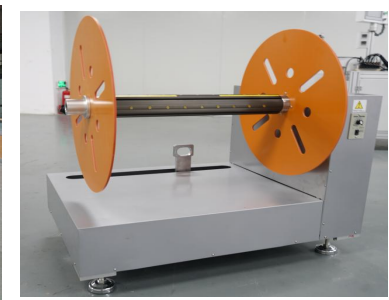

2
service managers

7*24H
online support

We have sold hundreds of automatic production equipments overseas, mainly distributed in France, Brazil, India, South Korea, Vietnam, Bangladesh, Malaysia and China Taiwan. We provide global services for all our customers with trained engineers and service managers.

Automatic KF94 mask machine, Automatic KN95 mask machine, Automatic flat mask machine;
KF94 mask packing machine, KN95 mask packing machine, Flat mask packing machine;
Mask machine+ CCD inspection machine+Bagging machine + Boxing machine production line

Dimension: (L): 7930mm * (W) 2500mm * (H) 1950mm

Weight: 1550Kg

Rated Power: 8KW

Voltage: AC220V 50/60Hz

Capacity: 100-120pcs/min

Compressed Air: 0.5-0.6Mpa

Air Consumption: 250L/min

Ultrasonic for Blank Mask: 15K, 2600W

Ultrasonic for Earloop welding: 20K, 2000W

JFM94-04 KF94 Mask Making Machine

JMM95-06 KN95 Mask Making Machine

Dimension: L9000mm*W1500mm*H2200mm

Weight:1900kg

Rated Power: 8KW

Voltage: AC220V 50/60Hz

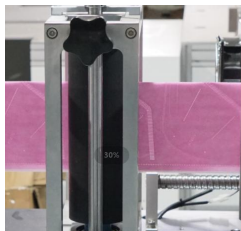

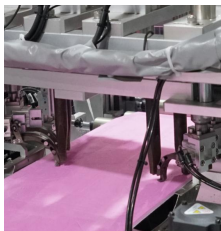

Capacity: 100-120pcs/min

Compressed Air:0.5-0.6Mpa

Air Consumption: 250L/min

Ultrasonic for mask forming: 15K, 2600W

Ultrasonic for Ear-loop welding: 20K, 2000W

JMPM-04 KF94 Mask Packing Machine

Dimension : 3080mm*1250mm*2000mm

Weight: 600Kg

Voltage : AC220V 50/60 Hz

Rated Power : 5KW

Compressed Air : 0.5-0.6 MPa

Air Consumption : 300 L/min

Control Mode : PLC + touching screen

Production Speed : 90~100 bags/min

JMPM-05 KN95 Mask Packing Machine

Dimension : 3080mm*1250mm*2000mm

Weight: 600Kg

Voltage : AC220V 50/60 Hz

Rated Power : 5KW

Compressed Air : 0.5-0.6 MPa

Air Consumption : 300 L/min

Control Mode : PLC + touching screen

Production Speed : 90~100 bags/min

JMPM-06 KN95 Multi-mask Packing Machine

Dimension : 4030mm*2060mm*1950mm

Weight: 800Kg

Voltage : AC220V 50/60 Hz

Rated Power : 4.5KW

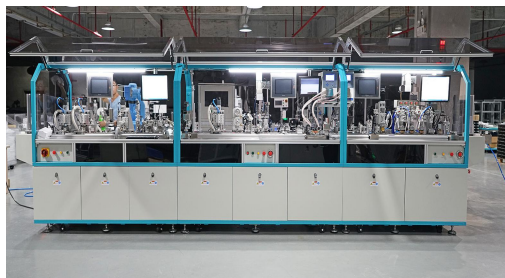

Compressed Air : 0.5-0.6 MPa

Air Consumption : 300 L/min

Control Mode : PLC + touching screen

Production Speed : 40~50 bags/min

Smart Card Storage Machine, Cavity Milling Machine, Antenna Picking Machine, Dual-Interface Module Preparation Machine, Chip Embedding Machine, Function Testing Machine, Milling and Embedding Machine, Wire Embedding Machine, Spot Welding Machine, Mounting Machine, etc.

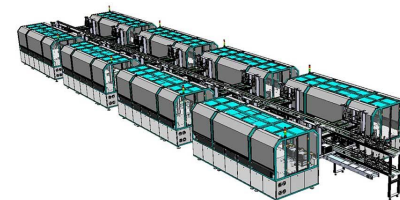

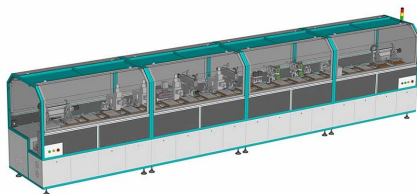

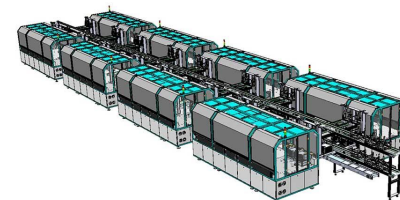

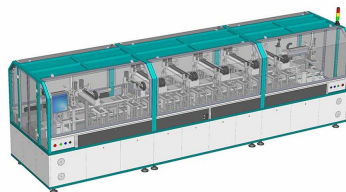

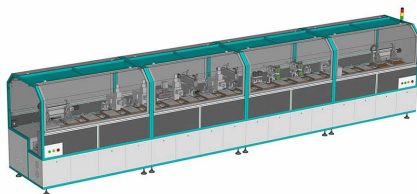

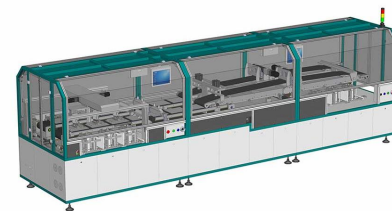

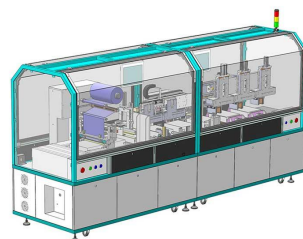

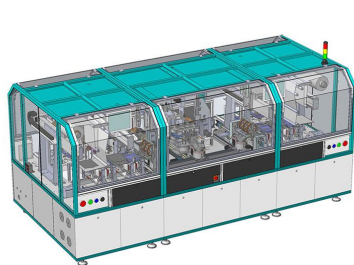

JSCW-03 Smart Card Storage Machine

The smart card storage management system is mainly suitable for the smart warehousing of bank cards (especially credit cards), and has the functions of automatic card counting, automatic card bundling, automatic printing and labeling, automatic code scanning and delivery. Fully solve the problems of bank card warehousing, such as many types of bank cards, small number of card issuance, complicated manual delivery, difficult management and so on.

Lithium Battery Stacking Machine, Prismatic Battery Insulate Taping Machine, Pouch Cell Tab-welding Assembly Line, All-In-One Automatic Electrode Die-Cutting & Stacking Machine, Li-ion Battery Stacking Machine Production Line, Automatic Cell Sorting Machine, Tab Taping Machine, Pouch Cell Four Sides Taping Machine, etc.

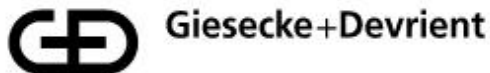

04

PARTNERS

合 作 伙 伴

Joycreat has worked directly with many international companies, famous retailers and colleges. All of them has established a strong relationship with Joycreat.
